2.4	Bronze Tier - \$1000	3

1 Our Mission

The Association of Mathematical Sciences is an organization that focuses on supporting and encouraging student involvement in all fields relating to the mathematical sciences. This is accomplished in various ways, such as hosting and competing in academic competitions, operating an active research journal, organizing educational and professional seminars, and connecting members with mentors.

Our organization was founded in 2008 as the Stevens Mathematical Club and had the main goal of supporting students in mathematical competitions. However, in 2024, the Stevens Mathematical Club began to take a more active role in the community, and the Association of Mathematical Sciences was born. The following was the creation of our research journal and our seminar series. Now, we consistently work towards improving our current operations as well as promoting future projects.

To fund our visions, we are in seek of a sponsorship that will not only fund activities and services that we provide to the school community, but will also fund the goals and aspirations of our talented and driven students. Below you will find what each sponsorship tier can provide to us and what you will gain back from your generous support.

More about us, as well as our contact information, can be found on our website, stevens-ams.com, or email us at stevens-ams@outlook.com. We hope to speak with you soon!

2 Sponsorship Tiers

Here is information about the different levels of support and the benefits each tier has.

2.1 Ruby Tier - \$5000

1. Everything in Gold tier.
2. Sponsors will have complete access to the contacts and (approved) members of our organization.
3. Sponsors will receive a monthly report on our progress, results, and our goals.

2.2 Gold Tier - \$2500

1. Everything in Silver tier.
2. Access to resume book.
3. Sponsors have the right to advise us on the decisions we make as an organization.

2.3 Silver Tier - \$1500

1. Everything in Bronze tier.
2. Sponsors are invited to set up a booth at major events held on campus.
3. Sponsors are invited to provide problems and projects done during competitions composed by the Association of Mathematical Sciences.

2.4 Bronze Tier - \$1000

1. We will provide assistance in distributing promotional materials and merchandise throughout the school..
2. Assistance in organizing and holding on-campus or virtual events.
3. Recognized as a sponsor on all our platforms.
